STUART DEAN'S Glass Restoration

Scratched or Etched Glass? Don't Replace It: REPAIR IT FOR BIG SAVINGS!

Our trained technicians and advanced glass restoration system and can help you save time, money, hassle and even the environment.

OUR RESTORATION PROCESS:

Represents a cost-savings of more than 80%, when compared with replacement

Uses a proprietary, one-step process that is fast and effective

Restores all types of glass by removing scratches, water scale, acid etching, paint overspray and other imperfections— without distortion

Reduces costs associated with tenant, worker or guest displacement

Eliminates costs associated with ordering, shipping and installing replacement glass

Utilizes biodegradable, environmentally safe polishing compounds

Saves the environment by keeping glass out of landfills
